## VERSE 1

C G  
I tried before, gave all I've got, I tried my best to reach the top

But I'm still here, I'm looking up at what I want and all I'm not  
C G  
I'm just to weak in my own skin to move beyond, begin again  
Am F  
My failure here is my defeat, I'm crying out I'm begging please  
C G Am7 F  
I'm on my knees I'm on my knees

## CHORUS

Am C  
I can't start this fight without You, I can't start this fight without You,  
Dm F  
I can't start this fight without You, 'cause I won't win this on my own  
Am C  
I can't start this fight without You, I can't start this fight without You,  
Dm F  
I can't start this fight without You, 'cause I won't win this on my own

## VERSE 2

C G  
The bar is high and I am low, and I have found the only hope  
Am F  
When You are Lord then I am free of all the things that cripple me  
C G  
'Cause You are strong when I am weak and You have fought this fight for me  
Am F  
So spirit reign inside of me, I'm crying out I'm begging please

I'm on my knees I'm on my knees
